Dear Sir/Madame:

As a manufacturer of prescription drugs that are distributed in New Hampshire, the New Hampshire Prescription Drug Affordability Board ("Board") sends this letter as a courtesy to notify your company of its responsibilities pursuant to RSA 126-BB.

Specifically, RSA 126-BB:9, V requires your company to register annually with the Board. The form to register with the board can be found on the Board's website on or after January 27, 2023.

In addition, RSA 126-BB:9, I provide:

No later than January 30, 2021, and annually thereafter, a manufacturer shall notify the board when the manufacturer has during the prior calendar year:

- (a) Increased the wholesale acquisition cost of a brand-name drug by more than 20 percent per pricing unit.
- (b) Increased the wholesale acquisition cost of a generic drug that costs at least \$10 per pricing unit by more than 20 percent per pricing unit; or
- (c) Introduced a new drug for distribution in this state when the wholesale acquisition cost is greater than the amount that would cause the drug to be considered a specialty drug under the Medicare Part D program. For the purposes of this section, "Medicare Part D" means prescription drug benefit in accordance with the requirements of the federal Medicare Prescription Drug Improvement and Modernization Act of 2003.

In accordance with the above, the Board is reminding your company of its responsibility to provide the requisite information for calendar year 2022, on or before January 30, 2023. This data may be subject to the enforcement provisions of RSA 126-BB if necessary. Forms are available on the Board's website at <https://www.dhhs.nh.gov/ombp/medicaid/nhpdab/index.htm>

All information should be submitted using the electronic forms located at the Board's website.

Thank you in advance for your cooperation. Please don't hesitate to contact the Board if you require further guidance.

Sincerely,

Gary Merchant, Board Chair
